## SPECIAL ANNOUNCEMENT PRINCIPAL APPOINTMENT

Dear Parent/Guardian

It is with great pleasure that I formally announce to the college community that **Mr Tony Jacobs** has been provisionally appointed as Principal of Vermont Secondary College.

Tony went through a rigorous selection process and was selected from a strong field of candidates. The selection panel nominated by College Council included a DEECD Regional Network Leader, a 'like' school principal, a Vermont Secondary College staff representative and two parent representatives. His appointment was endorsed by College Council.

I wish to thank the entire college community for their support during the last few months as we have followed the process to find our new leader.

As President of College Council and as a parent, I look forward to Tony moving the college forward into the future, particularly with exciting initiatives like the Stage 2 Masterplan building works, the recently published strategic plan, enhancements to teaching and learning, review of internal structures, the Learning Extension and Enrichment Program (LEEP) and strong co-curricular activities (music, arts and sport).

I know that you will support Tony and his team in providing your children with the finest and broadest education possible.

I congratulate Tony and wish him every success in his new role.

Mark Swiney  
President  
Vermont Secondary College Council
