

1. In the right-hand corner on your screen you should see the Wi-Fi logo, click on this and then click on 'Network Preferences'

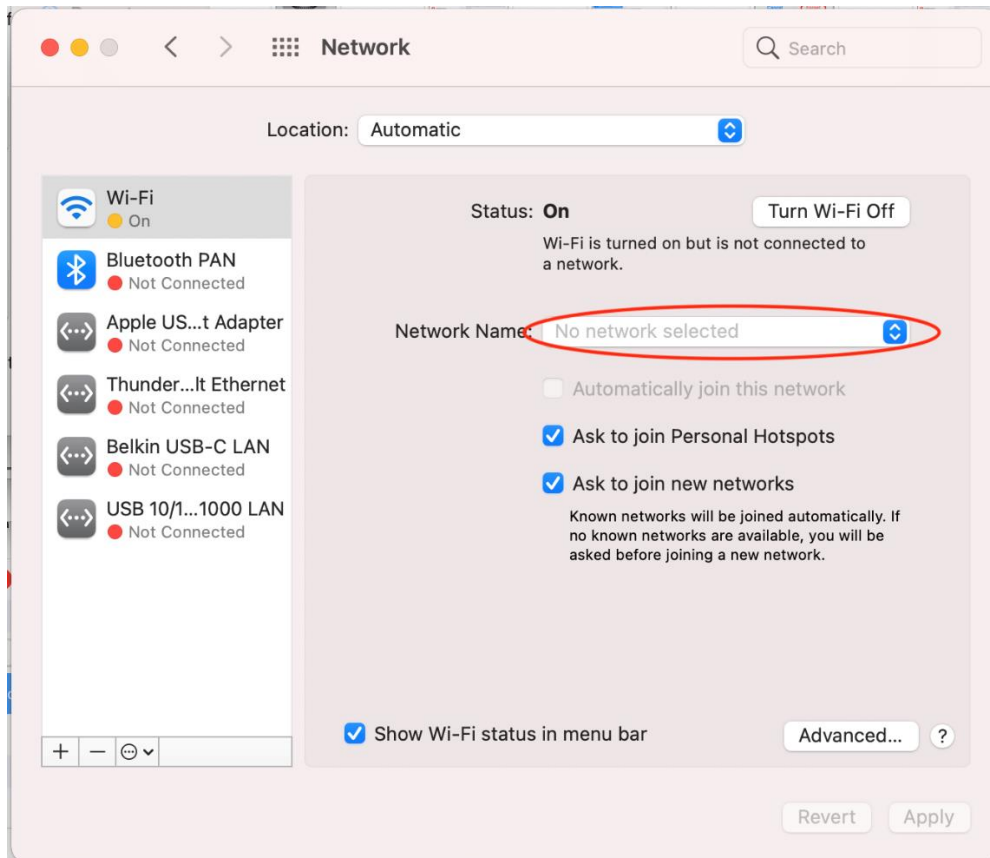

2. Click on 'Advanced'

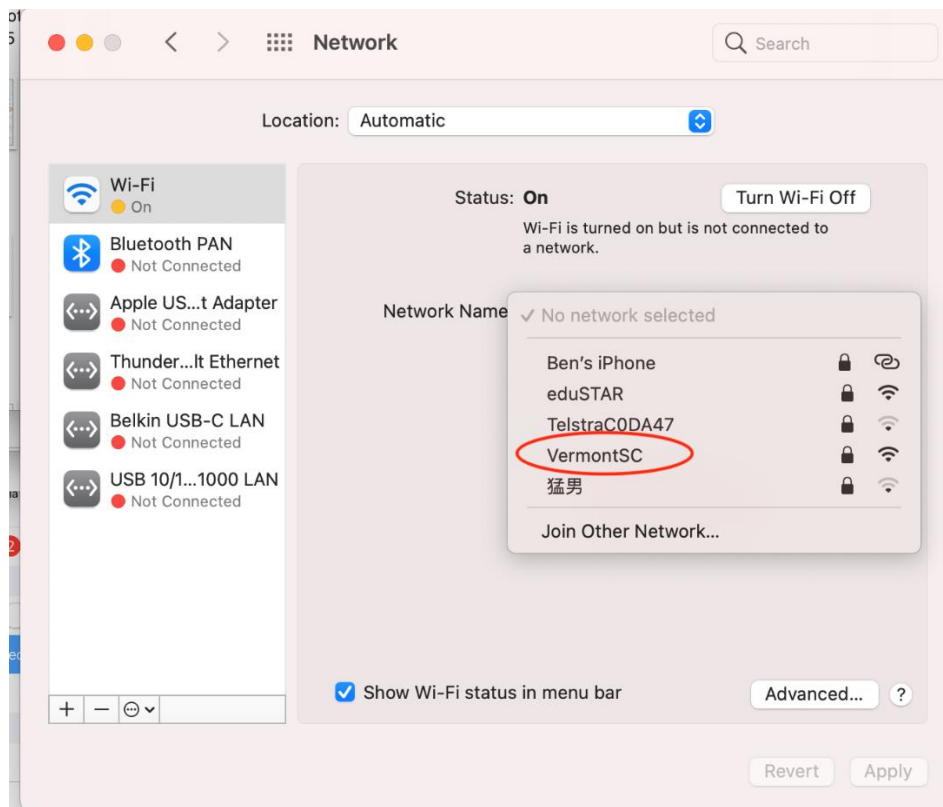

3. Click on VermontSC then click on the minus - symbol as shown, then click 'OK'

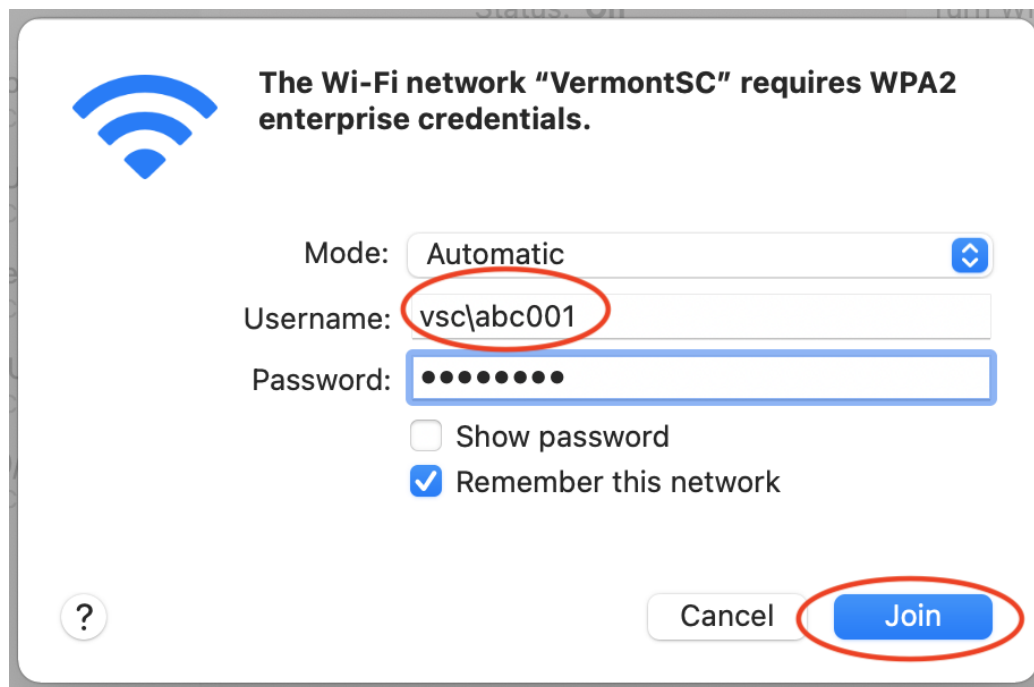

4. Click 'Apply' then Click 'No network selected'

5. Click and Select VermontSC

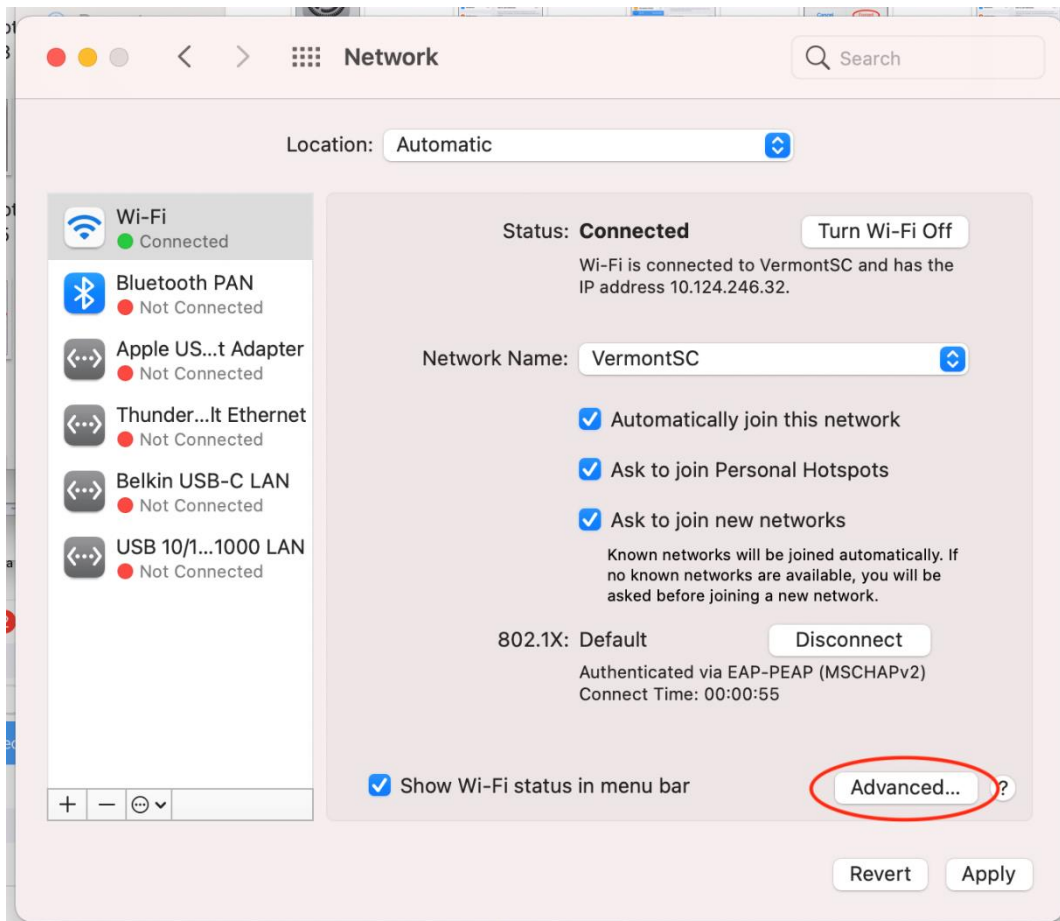

6. Type in vsc \ (back slash) not be confused with / (forward slash) followed by your student ID and password. *The Backslash \ key can be found above the enter (return) key. Then Click 'Join'

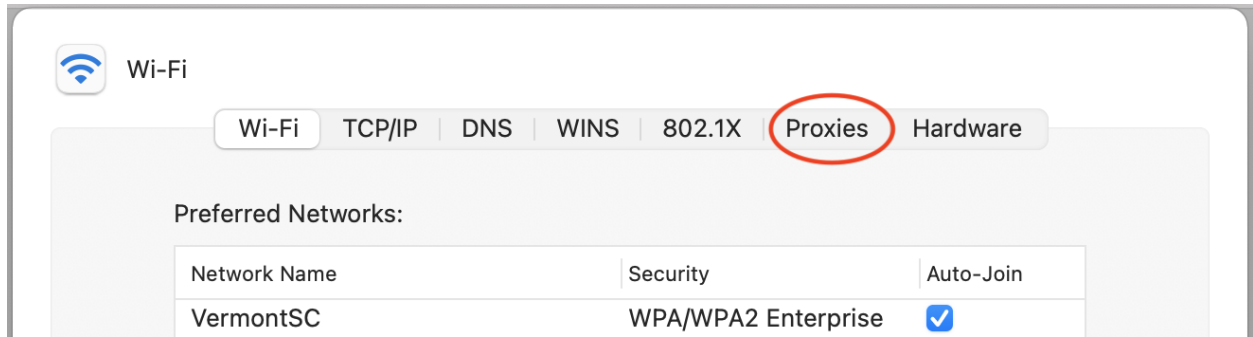

7. Click 'Continue'

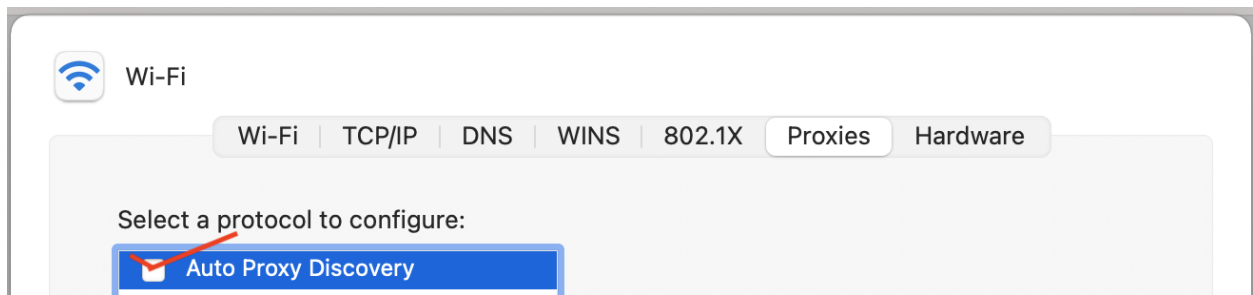

8. Now we have to ensure the Proxy is set and ticked or your internet won't work properly
Click 'Advanced'

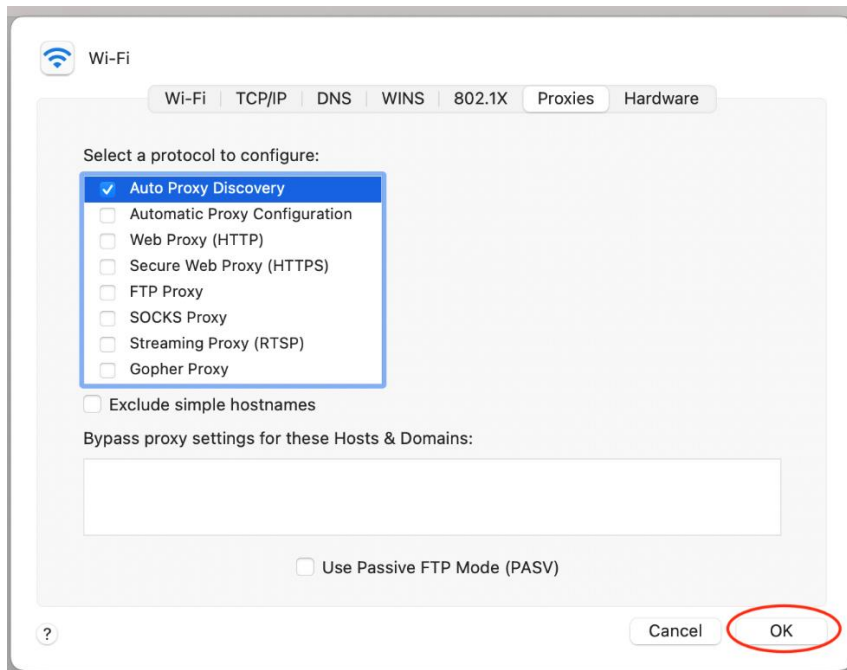

9. Click on the 'Proxies' Tab as shown

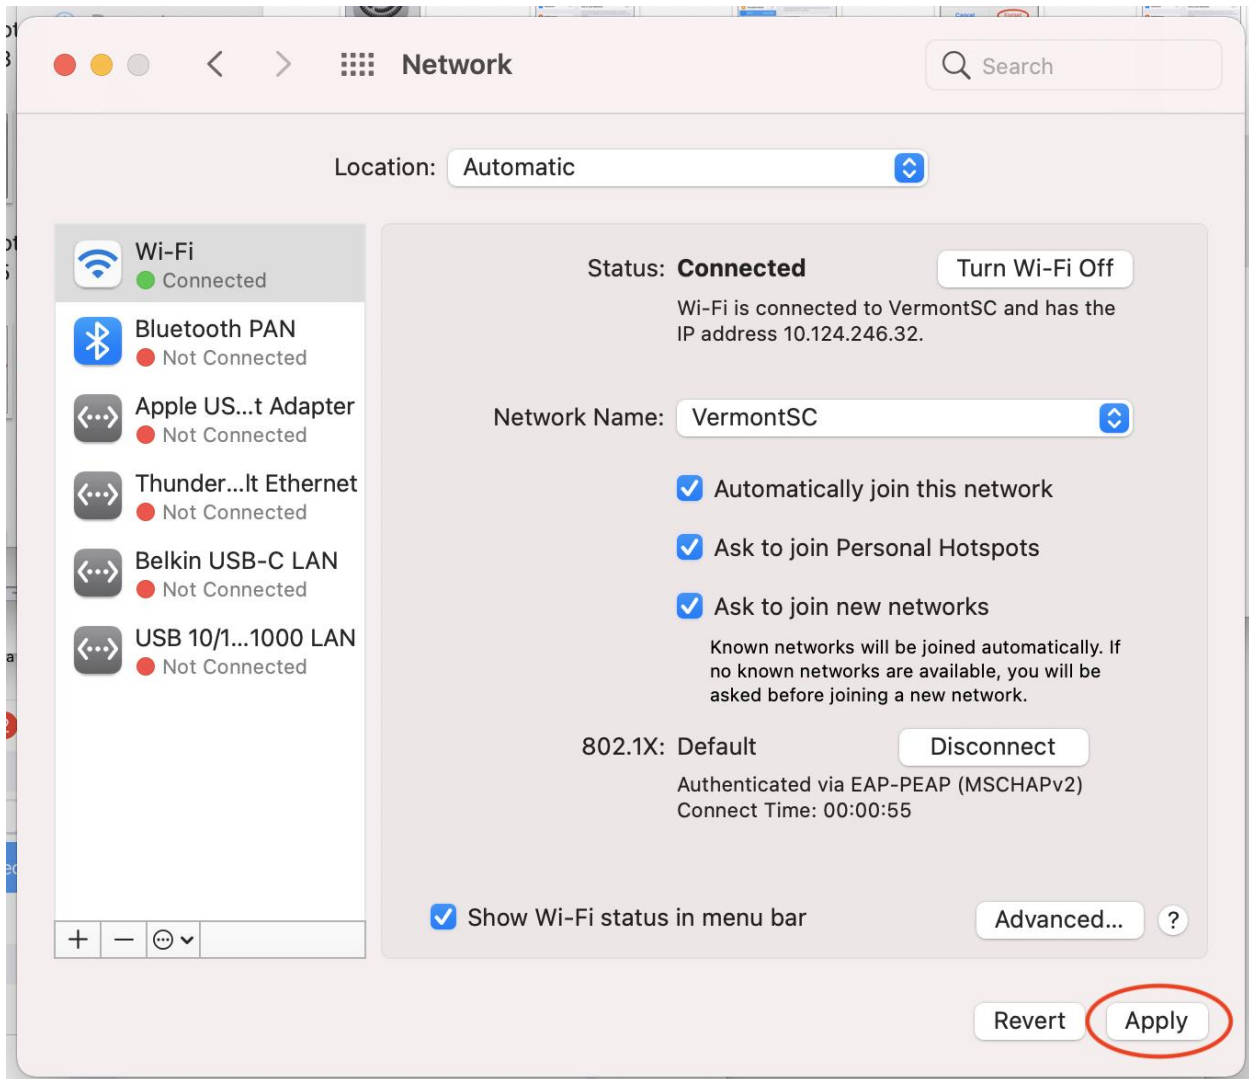

10. Check the 'Auto Proxy Discovery' box

11. Then Click 'OK'

12. Finally click Apply!

13. Done 😊
