Year 11 & 12 Parent Payment Arrangements 2022

Dear Parent/Carers,

Vermont Secondary College is looking forward to a great year of learning and teaching and would like to advise you of Vermont Secondary College's voluntary financial contributions for 2022.

State schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary.

However, whilst the contributions are voluntary, the ongoing financial support of all our families ensures that Vermont Secondary College can offer the best quality educational programs for all our students. We want to thank you in advance for your support, this will make a huge difference to the programs that we can offer in 2022.

Department of Education guidelines now mandate that schools are unable to provide parents with a statement of fees. With this in mind, parents are asked to review the recommended voluntary financial contributions detailed herein for an indication of contributions for your children.

For further information on the Department's Parent Payments Policy, please see a one-page overview attached.

Yours sincerely,

Refunds (Extra Curricular Activities, Camps and Excursions)

Vermont Secondary College will consider requests for partial or full refunds of payments made by parents on a case-by-case basis considering individual circumstances. Generally, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. All requests for a refund should be made in writing, within 14 days of the event taking place.
