## RATIONALE

The Vermont Secondary College (VSC) student uniform promotes a sense of identity, cohesion and collective pride. It is a condition of enrolment that all students wear full college uniform for all school days (including special activities and excursions unless specified otherwise), and when travelling to and from school. VSC has no designated summer or winter uniform. Students and parents are expected to manage the choices offered in a responsible and appropriate manner within the guidelines below. If a student is unable to be in complete school uniform, the parent should contact the Student Manager by email so a Uniform Pass can be logged as a Chronicle Note. Students are expected to be proactive in managing this process. Students out of uniform for medical reasons for more than five school days will require a medical certificate. **The college should be contacted to clarify any expectations.**

### Personal Presentation:

Students are required to present neatly and appropriately for school each day. Students wearing items (whether uniform or other) that are deemed inappropriate, an Occupational Health & Safety risk, or offensive will be excluded from classes/programs until the item is removed or replaced. Uniform items should be clean and presentable, appropriately meeting a standard of dress that ensures all students are dressed safely and appropriately for school activities and preparing students for the expectations of workplaces.

Excessive or perceived dangerous jewellery **is not appropriate**, particularly: excessive bangles, large bracelets, long or large earrings, large necklaces or similar; facial piercings like rings/studs (nose, lip, eyebrow etc.). These all present a considerable Occupational Health & Safety risk, and **must be covered or removed while at school**. Excessive make-up and coloured nail polish should not be worn to school. Long nails, especially fake nails, are inappropriate and present a further OH&S risk. Hair should be kept tidy and away from the face and should not be extreme or unnatural in style or colour. Long hair should be tied back where appropriate for Occupational Health & Safety reasons, especially in Physical Education, Science and all Technology classes.

### Designated out-of-uniform days

Dress for designated 'out-of-uniform' days (including excursions where relevant) should be appropriate to the activity or smart casual, and appropriate to the college context. As they present a real Occupational Health and Safety risk, particularly in Science and Technology classes, **thongs (or other open / ill-fitting footwear) are never to be worn**. Students must still bring any other required clothing, for example for Physical Education classes, on these days. Students wearing items that are deemed inappropriate or offensive will be excluded from classes/programs until the item is replaced.

## Sports carnivals

As our Sports Carnivals are House competitions, students are encouraged to dress in their PE/Sport uniform with House colours: blue for Hotham, green for Macedon, red for Stirling. Items worn should be appropriate to the college context and 'Sunsmart' guidelines still apply on these days. Students wearing items that are deemed inappropriate, or offensive will be excluded until the item is replaced.

## Special uniform items

Some programs in the college purchase special uniform items. These items are only to be worn on designated days with express permission of the college, via application to the Local Consultative Committee. Badges related to college activities are allowed, for example student leaders, book club, music, production and/or for college sanctioned fund-raising initiatives.

## Supply of uniform item

The college's approved uniform supplier is Bob Stewart – **uniform items must be purchased through Bob Stewart** and can be done online or at their stores in Croydon and/or Mount Waverley. The college community will be kept informed via the college newsletter, e-bulletin and website of any changes. **Should parents have any questions, we request that the college be contacted to clarify expectations.** Families experiencing difficulty purchasing the correct uniform items should contact the relevant House team or the college Student Wellbeing Coordinators. The VSC Community Association operates the college's Second-hand Uniform Shop – details are published in the newsletter and e-bulletin.

**Any additional items worn underneath the uniform should be plain white and not visible.**

**All items should be clearly marked with the student's name, so they can then be returned if found.**
